11ᵗʰ Annual
Techno-Swap-Fest

February 22, 2020 - 9am to 2pm
(Snow Day Feb 29, 2020)

National Electronics Museum
1745 West Nursery Road, Linthicum MD

Attention All Hobbyists

- *Is your workshop so cluttered that you can barely work on your projects?*
- *Did you buy something online that didn't fit into your plans?*
- *Are you still looking for that perfect gadget, part, or tool?*

If you answered YES or NO to any of these questions, you need to attend the Techno-Swap-Fest to buy, sell, and gawk at all the gizmos that other hobbyists crave.

Here are just some of the hobbies represented:
- R/C (boats, planes, tanks, cars, trains, monsters)
- Robotics (competition, combat, R2D2, micro-bots)
- Electronics (hackers, makers, crackers, phreaks, HAMs)
- Mechanical (steam engines, CNC, animatronics, whimsical)

And some of the other items you'll find:
Motors, gears, tools, parts, radios, batteries, materials, wheels, circuits, gadgets, cases, plans, completed projects, never-completed projects, models, and much, much more.

*** Door Prizes: Most Unusual, Least Useful, Best Dust Collector ***

All proceeds support the National Electronics Museum
Adults: $7 (includes access to Museum)
Kids 5 & under: FREE

Seller's Table: $15 (limited number, reserve early)
