

NATIONAL ELECTRONICS MUSEUM

# Teachers visit NEM free this summer!

The National Electronics Museum is happy to offer free admission to Maryland K-12 teachers to assist with researching and developing your lesson plans and field trips (or just for you to enjoy).

- Offer available June 17 through August 31, 2019
- This offer is for current Maryland K-12 teachers and homeschool parents only
- Must show current teacher ID to receive free admission
- Free admission is non-transferable and for the teacher only, visitors with them pay regular admission fee
- Free admission applies to self-guided museum visit during regular hours only; not applicable to special events, guided tours, workshops, or other museum events

1745 W. Nursery Rd.  
Linthicum, MD 21090
