There are no kitchen facilities at the Museum. However, there is a prep area for caterers just off Pioneer Hall. All food prep must be confined to this kitchen. Food is prohibited in museum galleries. Current restrictions require all food to be prepackaged and single serve.

Wireless internet access is available.

The National Electronics Museum closes at 10:00pm. Please allow time for clean-up after your event so that the museum can be closed promptly at 10:00pm.

Set-Up & Clean-Up/Caterers

The renter is responsible for all set up (except for table/chair setup, which will be done by a staff member prior to the event), and for leaving the rented area in an orderly condition.

Catering and equipment rentals must be arranged by the renting party. Renters must advise caterers and equipment providers of the policies in this agreement and of their start and end times. Contact the museum at least one week in advance to arrange equipment set up and removal for the caterers if applicable.

No tables or chairs can be set up in the museum exhibit galleries. At no time should an event inconvenience or limit access to the museum or its visitors during the museum's open hours (Monday-Friday, 9:00am-4:00pm, Saturdays 10:00am-2:00pm).

All food and beverages must be staged, served, and remain in the museum's Pioneer Hall at all times. No food or drinks are allowed in the exhibit galleries.

No red wine.

If alcohol is served at an event, please ensure either the caterer has a liquor license or the renter must obtain a One-Day Liquor License from Anne Arundel County (<https://www.aacounty.org/services-and-programs/alcoholic-beverage--liquor-license#section-1>). The museum will not obtain this license for the renter, but can answer questions about the process if needed. The renter is responsible for the safety of their guests in consideration to alcohol consumption and proper distribution.

No DJs or live music bands.

Deliveries can be made through the back door of the Hall only. There is no loading dock available for deliveries. This door is alarmed—please ask a museum staff person to disarm the door before opening. Doors cannot be left open; no equipment is to be left unattended in the lobby or in the museum galleries, and caterers and guests are not allowed anywhere in the building beyond the museum galleries and meeting rooms (see attached map). Deliveries should be scheduled during the renter’s reserved times.

Caterers and/or event planners/renters are liable for any damage to the museum’s walls, tables, chairs, carpets, or exhibits that occur during an event.

Caterers and/or event planners/renters are responsible for removing all trash.

Caterers and/or event planners/renters will not make alterations of any kind to the museum’s galleries or exhibits or touch/move contents of museum galleries or exhibits.

Do not affix any decorations or signs to the walls. No nails or screws.

All decorations, supplies, and accessories must be taken away at the end of an event. The museum is not responsible for items that are left behind.

Flashes, artificial lighting, and tripods are prohibited in the museum galleries. If your event is during the museum’s public visiting hours (Monday-Friday 9am-4pm, Saturday 10am-2pm), please be considerate of other visitors when taking photos.

The insurance certificate must be renewed annually and kept on file with the museum.

At this time, contracting parties are not required to provide a certificate of general public liability insurance to cover them and their guests at the National Electronics Museum during an event. However, the contracting party agrees to assume full financial liability and responsibility for any damage to or loss of objects or property belonging to the National Electronics Museum and to hold harmless, indemnify and defend the National Electronics Museum from and against any claims of personal injury or property damage arising from such use by the contracting party, their vendors, and/or their guests.

There are approximately 12 spaces in the museum lot marked for museum personnel and public visitors.
